**Hays County Precinct 3 Office, Wimberley, TX** – Precinct 3 Commissioner Lon Shell is inviting members of the public with interest in or questions about the Kinder Morgan Permian Highway Pipeline to join him at a public meeting Tuesday, January 29, 5:30-8:00 p.m., at the Wimberley Community Center.

“We will share information about the planned route as well as discuss environmental concerns, property rights, and other issues related to the project and its potential impact on Hays County,” Shell said. “We want to share what we know now, what we expect, and to hear concerns from our residents.”

The meeting will include a panel of experts in relevant areas and a presentation by representatives who have been working with landowners in the area. Following the presentation there will be a question-and-answer session.

Representatives from Kinder Morgan have been invited to attend, but are not on the agenda.
