***Too much information, Not enough information,
What information is critical? What information is correct?
What do I need to know about my area?***

An online list of essential services and activities specified in the Governor's Executive Order can be found at:

Our grocery and convenience stores in Uhland are using required precautions, sanitizing, opening doors and requiring people to abide by the 6-foot social distancing rule.

Use wisdom when you need to participate in and/or perform essential services or activities. For those of you that pray keep our country, our state, community and those abroad in your prayers. As additional information becomes available and in the event of any changes, I will endeavor to keep the City of Uhland residents informed.

Thank you for taking the necessary precautions when out and about. Please keep your family safe, and **wash your hands, wash your hands, wash your hands.**

Together we will move forward.

Vicki Hunter
